This production is entered in the Kennedy Center American College Theater Festival (KC/ACTF). The aims of this national theater education program are to identify and promote quality in college-level theater production. To this end, each production entered is eligible for a response by a regional KC/ACTF representative, and certain students are selected to participate in KC/ACTF programs involving awards, scholarships, and special grants for actors, playwrights, designers, and critics at both the regional and national levels.

Productions entered on the Participating level are eligible for inclusion at the KC/ACTF regional festival and can also be considered for invitation to the KC/ACTF national festival at the John F. Kennedy Center for the Performing Arts in Washington, DC in the spring of 2002.

Last year more than 1,200 productions and 198,000 students participated in the American College Theater Festival nationwide. By entering this production, our department is sharing in the KC/ACTF goals to help college theater grow and to focus attention on the exemplary work produced in college and university theaters across the nation.

No cameras or other recording devices are allowed in the theatre. Please turn off pagers, cellular phones and watch alarms.

Latecomers to Westhoff Theatre will be seated in available seating in the balcony as determined by the House Manager.

The coffee shop will be open in the 2nd lobby (behind box office) during intermission. You are welcome to bring your coffee or other purchased drinks into the theatre. Please be careful with drinks and dispose of cups after the performance. Please do not bring popcorn, chips, or other food in the theatre. Thank you.
